

IN THE ABSTRACT:

ABSTRACT OF THE DISCLOSURE

A method of providing an article to meet an actual or anticipated demand ~~for the article. The method includes~~ including the steps of: providing an article having an exposed surface defined by at least one substrate layer; ~~providing a first adornment layer;~~ tack stitching ~~the a~~ a first adornment layer fixedly to the at least one substrate layer with thread at ~~at least~~ first and second discrete locations ~~on the first adornment layer~~ so that the article has a first appearance; stocking the article with the first appearance to meet an actual or anticipated demand ~~for the article having the first appearance;~~ changing the ~~appearance of the article from the first appearance to~~ have a second appearance; and making the article with ~~[[a]]~~ the second appearance available to meet ~~an actual or anticipated~~ demand for the article. The step of changing the appearance of the article ~~from the first appearance~~ involves the steps of: releasing the tack stitching ~~at the at least first and second discrete locations~~ to allow the first adornment layer to be separated from the article; separating the first adornment layer from the article; providing a second adornment layer; and attaching the second adornment layer ~~fixedly~~ to the article.
